June 2010

Dear Joan,

Welcome!

It's been an exciting year. We are all but done with our remodeling project for [Disability Compass](#)! We've been working hard to get all the pieces up and running and are very pleased with the result. If you haven't visited lately, go take a peek!

Compass "Cool Find" of the Month

A new monthly feature of Disability Compass

Every time I turn around there is a new, interesting resource, tool, or technique I want to know more about. At least that's the way it seems. Patty, Angela, and I spend a lot of time talking about our discoveries. We wanted an easy, yet thorough, way to share them with you.

That's why we created the Compass "Cool Find" of the Month. The newest find is posted right on our home page. Some will be shared as videos, others as an article.

Summer Fun and Events

What's on for summer?

Really. Summer is coming!

Check out our [Events](#) section for summer activities, workshops and community events, such as the [Oregon Disability MegaConference](#), June 3-5 in Eugene.

Have a community event or workshop coming up? [Email us](#) so we can help you get the word out! We'll put you in the calendar and send out Tweets about your event.

For those looking for summertime training, visit the [Classes and Training](#) section for more information.

Support the work of Disability Compass and have fun, too! Join us at **June 18th** for the Vision on the Green Event at Langdon Farms Golf Club. [Click here](#) for more information.

We're excited about what's on the horizon for Compass and hope you will join us as we move forward. We're eager to reduce the tendency to "re-invent the wheel" and work together for quality lives in caring communities.

Sincerely,

The Compass Team:
Patty Verzani, Anglea Frome, and Joan Guthrie Medlen
